

U.S. Congressman Michael C. Burgess

Congressional Records, 110th Congress, 24 June 2008

Mr. BURGESS. Madam Speaker, I rise today to pay tribute to the Leadership Training Institute of America, the leading training program for students seeking instruction in the personal development of leadership and character. Their training program gives students the necessary tools to lead the next generation of young Americans in the traditions, principles, and wisdom imparted to us by our Founding Fathers. The quality of this training assures me of America's bright future as the leader of the world.

The Leadership Training Institute of America is a cultural think tank providing training and opportunity in leadership development and cultural dynamics. This organization encourages youth to apply and excel in leadership and critical thinking skills, study world view conflicts and strategies, network with outstanding leaders, and pursue careers in influential sectors of society.

The Leadership Training Institute of America trains and equips young men and women to be leaders with high standards of personal morality and integrity. The participants are exposed to the major philosophies, views, and issues of our world today and are encouraged to become leaders with convictions built on scientific knowledge, historical record, and Biblical wisdom.

Our Nation is in great need of young men and women of character to lead in every arena of our society.

So, it is with great appreciation that I rise today to commend the vision and accomplishments of the Leadership Training Institute of America. I salute the dedicated staff of this outstanding organization and encourage its increased influence among our Nation's youth.
