

U.S. Congressman John Boozman

Congressional Records, 110th Congress, 27 June 2007

Mr. BOOZMAN. Madam Speaker, I wish to recognize and commend the outstanding contributions of the Leadership Training Institute of America toward the development of the young leaders of America.

The Leadership Training Institute of America is an educational organization providing training and opportunity in leadership development and cultural dynamics. This organization's mission is to identify, inspire, and instruct students for leadership in society by equipping them with skills to allow them to defend their beliefs, including and understanding of why traditional values are vital to a free and secure society. It is these values that have, and continue, to make America great.

LTIA students receive exposure to the major world views, issues, and philosophies of today. They are encouraged to pursue careers in influential sectors of our society by applying the leadership, critical thinking, scientific, and historic training they receive at LTIA, which is grounded in the Biblical traditions of America's forefathers.

LTIA students represent future leaders in government, education, media, and business. They will be the backbone of our Nation and vital in sustaining its position as a world leader.

With great pride, I salute the Leadership Training Institute of America for its unrelenting dedication and commitment in training and equipping young leaders for the challenges they will face tomorrow in our dynamic and ever changing world.
